

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the public interest by limiting the market power of already huge companies in the broadcast industry.

If the FCC allows our media outlets to merge, our ability to have open, informed discussion with a wide variety of viewpoints will be compromised.

The public interest will best be served by preserving media diversity.

Thank you,
